Platinum Services For

DNN

IgniteTech's Platinum Support Program is designed to deliver a higher value experience to include customized, professional services. That's why, in addition to the benefits outlined in IgniteTech's Platinum Support Program for all IgniteTech solutions, the following DNN solution-specific professional services are also included in our Platinum Support Program for DNN customers.

Penetration Testing Service

We coordinate with a trusted 3rd-party firm to perform pentesting on your DNN instance and provide certification on your site's security.

Managed Upgrade Service

We take over the hard work of upgrading your DNN instance to the latest version for faster, easier upgrades.

Evoq Page Load Booster

We'll configure Evoq-specific settings that optimize loading time of pages, including compression of JavaScript & CSS, caching of static pages, optimization of scheduled tasks based on peak traffic, cleanup of unused extensions and fixes for application errors.
