

IGNITETECH CUSTOMER SUPPORT PROGRAMS

Services to Support Your Success

Customer success is our #1 objective, and that's why we've created the IgniteTech Customer Support Programs, which we offer at Standard, Gold and Platinum service levels.

IgniteTech's Platinum Support Program is the best option for our most active and demanding customers, as it contains the widest array of services and the highest prioritization for critical issue resolution. With Platinum, you'll receive industry-leading support from experts in IgniteTech's support, services and engineering teams to ensure you get the most out of your IgniteTech solutions, as well as have access to global, always-on support for your most mission-critical solutions.

IGNITETECH PLATINUM *Preventive, Personal and Always On*

Exclusive Benefits

24x7, Always-On

Experience confidence knowing that IgniteTech technical experts are only a phone call away when you need them most. IgniteTech support services staff are here for you all day, every day.

Highest Priority and Quickest Access

IgniteTech's Support team strives to deliver a 1- hour response from a product expert through IgniteTech's support portal, with Platinum adding direct support by phone as an additional channel.

Unlimited Support Access

As a Platinum customer, you benefit from unlimited support tickets for issues and how-to questions to provide the volume of assistance your organization requires.

Platinum Services

Platinum customers are entitled to several additional services to help ensure performance. These services include Policy Success, Managed Upgrade and Industry Benchmark Reports.

Access to Additional Consulting Services

Platinum customers have exclusive access to IgniteTech's stable of expert consultants in power management to increase your ROI and success with the solution.

Platinum Services For

VERDIEM

IgniteTech's Platinum Support Program is designed to deliver a higher value experience to include customized, professional services. That's why, in addition to the benefits outlined in IgniteTech's Platinum Support Program for all IgniteTech solutions, the following Verdiem solution-specific professional services are also included in our Platinum Support Program for Verdiem customers.

Policy Success

Our experts optimize your software patching success rate by ensuring Verdiem power policies are set correctly across your PC/laptop fleet.

Managed Upgrade

We ensure Verdiem is updated to the latest version as it is essential for security, compliance, and bug fixes. Our experts will help you migrate to a new version, keeping all the presets and customized forms/processes in place, making sure you don't lose any data.

Industry Benchmark Report

We review energy savings compared to your industry to validate energy saved over the last year. Each year, our team will prepare a benchmarking report which analyzes energy saved over the past year, comparison against similar organizations, and additional recommendations for optimization as needed.
